

As we prepare to wind down for our move to 7 Grand River Street North, our menu will change almost daily. We will focus on a smaller menu to provide quality and consistency while we prepare to shut down for a short break. Please continue to enjoy our offerings until the 22<sup>nd</sup> of June as we appreciate your support as usual. We can't wait to see you all in our new location featuring a stunning riverside patio.

See you soon!
